What does 'gospel' mean to you? How do you live that out in your life? In Timothy Keller's study guide, *Gospel in Life*, we will look at how the gospel is lived out in all of life—first in our hearts, then in our communities and then out into the world.

We will follow this 8 week DVD study, with Myrna Alexander's *Behold Your God*. In this study we will look at Scripture in order to develop an accurate perception of who God is. How would you describe God? Is he a strict father? Or a magical genie? Is the God you perceive big enough to handle what you are dealing with in your life? How you perceive God will determine how you relate to Him. Behold Your God will lead us through God's attributes:

Loving
Supreme and Sovereign
All-Powerful
Good
Omniscient
Omnipresent
Immutable
Faithful
Holy
Just

By knowing the truth about God we can relate to Him according to His real character, not what we imagine Him to be. We invite you to join us for a drink of living water as we study God's Word together. Women at the Well meets weekly for worship, teaching, small group discussion time, special events and socializing. Please join us!

Please register by August 30th

so that we can order books and have them for you on September 13th. (Registrations are accepted after August 30th, you just may need to wait for your study guide.) You can register yourself and your infants/preschoolers online at www.highpointchurch.org or mail your completed form to:

Jeanine Hochhausen
6606 Jacobs Way
Madison, WI 53711

Payment for the study will be collected September 13th, cash or check for \$25, made out to: *High Point Church*.

Invite your friends and neighbors to join us at "the well". We are excited to see how God will change lives this coming year!
